A refueling point immediately follows the 'Remote Tyre Zone' and time has been allowed in the following liaison for refueling.

The second service will be a twenty minute service, preceded by a Parc Ferme and followed by a regroup (see section 8). The service park surface is gravel.

No refueling of any kind is permitted in Service Park "A" except for within the designated Refuel Park (Refer also Sup Reg 7.0 – Refuel Park)

Servicing in any other areas is banned.

Please note: No Service Instructions will be issued as all Servicing takes place at Fred Jacoby Park, Mundaring.
